

## Frequently Asked Questions

### Light Horse Park Redevelopment April 2024

#### What is Council doing?

Council is undertaking some exciting redevelopments at Light Horse Park. The first stage of works includes the construction of a fully accessible kayak launch facility which will take place between mid April 2024 and end of June 2024.

#### What does the upgrade include?

- Demolition and removal of the existing jetty structure
- Installation of new accessible kayak launch facility with decking, ramp and viewing platform
- Landscape embellishment works
- New water access points with safety equipment

#### Can I still access the park?

During the work, part of the carpark and area surrounding the jetty will be closed to the public for health and safety reasons. Clear signage will be in place during construction, and park users, pedestrians and vehicles are urged to observe all signs and any controls and directions. Other areas of the park will remain open for community use. Park users should visit Council's website for regular updates.

#### What impact will it have on my residence?

Council is working closely with its contractors to minimise any disruptions to local residents. All construction will take place between Monday and Friday from 7am to 5pm and Saturday 8am to 1pm.

Properties close to this area of the park may experience some noise from the construction works.

#### How was this design arrived at?

In September 2018 Council committed to activate the park and the riverfront to the Georges River. The progressive redevelopment of Light Horse Park will open the Georges River to the public for recreational purposes. The Master Plan has been developed by Liverpool City Council and involved extensive community engagement. More information on the redevelopment is available here on Council's website <https://www.liverpool.nsw.gov.au/development/current-major-works/lighthorse-park-redevelopment-shaping-our-future>.

#### How is this funded?

In addition to its own contributions, Council successfully applied for NSW Government funding to support the Master Plan's vision for the park. The redevelopment is funded by:

Aspect	Funding	Value
	NSW Government Western Sydney Infrastructure Grants Program	\$28m
Accessible kayak launch facility	Maritime Services "Boating Now" grant	
	Liverpool City Council	\$8m

Remaining sections of the park	Liveability Grant Funding	
--------------------------------	---------------------------	--

### **What about the Indigenous heritage aspects of the park?**

Council continues to work with Gandangara Land Council to develop appropriate recognition for First Nations people in the Park.

### **What about the Light Horse Brigade Memorial and restored steam engine?**

The memorial dedicated to mounted troops known as the Australian Light Horse Brigade will be relocated during later stages of construction works to a more northerly location, closer to the weir, where the alignment of the old Liverpool Bridge used to cross the River and was used by the Light Horse.

The restored steam engine that sits in the middle of the park will be positioned centrally to add interest to other play area being developed.

### **What about the community garden?**

Council is working closely with community garden group leaders.

The community garden will remain as part of the park redevelopment; however, access will be limited throughout the course of the construction works. During this first stage carpark access may be limited and users must adhere to traffic and pedestrian signage and controls.

### **Who do I contact if I have any questions during construction?**

During construction, inquiries related to the works can be directly referred to the Council's Site Inspector, Mr Graham Worsnop via mobile on 0423 027 932.

Alternatively you can email our Western Sydney Infrastructure Grants Project office at [wsiglighthouse@liverpool.nsw.gov.au](mailto:wsiglighthouse@liverpool.nsw.gov.au) or write to us care of Jill Summers, Engagement Officer at Locked Bag 7064, Liverpool BC NSW 1871 and quoting reference 109580.2024.
