Memo

To: Farooq Portelli – General Manager
From: Milan Marecic – Director City Planning
Date: 14 May 2012
Subject: Voluntary Planning Agreement (VPA)- Inglis, Coopers Paddock
Reference: Liverpool Local Environmental Plan 2008 Amendment No. 14
RZ-4/2010 109482.2012

At its meeting on 19 December 2011 Council resolved to rezone land on the northern and southern sides of Governor Macquarie Drive (GMD) Warwick Farm. These sites include the Proposed Inglis Development (north of GMD) and Coopers Paddock southern side of GMD.

This draft LEP was administered under Liverpool LEP Amendment No.14. At the same meeting Council also resolved to enter into a Voluntary Planning Agreement (VPA). The VPA provides a list of items the ATC must provide as part of the redevelopment of the subject land. These include:

- Road improvements;
- Remediation of Designated Land;
- Construction of shared bicycle and pedestrian paths;
- Dedication of foreshore land and land required for future road widening;
and
- Rehabilitation of existing vegetated areas.

The draft VPA was exhibited from 2 November 2011 to 29 November 2011.

Council provided two hard copies of the VPA to the Australian Turf Club on 1 February 2012 for signing; however Council just received the two signed copies on 10 May 2012.

In order to execute the VPA, the document needs to be signed, witnessed and dated.

Please find attached two copies to be signed.

Please contact me if you require further information.

Operative provisions

1 Definitions and interpretation

1.1 Defined terms

In this agreement, words beginning with a capital letter that are defined in Part 1 of **Schedule 2** have the meaning ascribed to them in that schedule.

1.2 Interpretation

Unless the context otherwise requires the interpretational rules contained in Part 2 of **Schedule 2** apply in the interpretation of this agreement.

2 Application and operation of agreement

2.1 Planning agreement

The parties agree that this agreement is a planning agreement:

- (1) within the meaning set out in s93F of the Act; and
- (2) governed by Subdivision 2 of Division 6 of Part 4 of the Act.

2.2 Application

This agreement applies to both the Developer's Land and the Development.

2.3 Operation

- (1) Subject to paragraph (2), this agreement operates from the date it is executed by both parties.
- (2) The following clauses of this agreement will only operate if and from the date that is the later of the date on which Development Consent for the Subdivision Plan is granted and the date on which the Instrument Change has been made:
 - (a) clause 3;
 - (b) clause 4;
 - (c) clause 5; and
 - (d) clauses 13.2 to 13.4 inclusive.

3 Provision of the Development Contributions

3.1 Dedication of Land

- (1) The Developer must dedicate the Designated Land to Council by the time specified in Part 2 of **Schedule 3**.

-
- (2) The Designated Land must be dedicated:
 - (a) free of any trusts, estates, interests, covenants and other encumbrances; and
 - (b) at no cost to Council.
 - (3) Council will allow the Developer to access the Designated Land in order to allow the Developer to carry out any Works required to be carried out on that land after it has been dedicated or transferred to Council.
 - (4) Upon the dedication of the land described as "Road Reservation Governor Macquarie Drive" in Part 2 of **Schedule 3**, Council will transfer, at no cost to the Developer, any residual land on the northern and southern side of Governor Macquarie Drive between Governor Macquarie Drive and the ATC Site and which is not required for the road reserve.
 - (5) The Developer must use its best endeavours to dedicate or transfer the RTA Road Widening Land to the RTA prior to the first to occur of the issue of:

Subject to clause 5, after:

- (1) an Item of Work has been Completed; and

-
- (2) the Designated Land and the land referred to in clause 3.1(4) is dedicated or transferred to Council,

Council accepts ownership, risk, possession and control of both the Designated Land and the land referred to in clause 3.1(4).

3.5 Indexation of amounts payable by the Developer

The Contribution Value for each Item of Work will be increased in accordance with the following formula:

$$A = \frac{B \times C}{D}$$

where:

- A** = the indexed amount;
- B** = the relevant amount as set out in this agreement;
- C** = the Index most recently published before the date that the relevant Item of Work is Completed; and
- D** = the Index most recently published before the commencement date of this agreement.

If **A** is less than **B**, then the amount of the relevant Contribution Value will not change.

3.6 Effect of Indexation

- (1) The party giving such notice under this clause must use all reasonable effort and diligence to remove the Force Majeure Event or ameliorate its effects as quickly as practicable.

16.3 Further steps required before proceedings

Subject to clauses 16.14 and 16.15 and except as otherwise expressly provided in this agreement, any dispute between the parties arising in connection with this agreement or its subject matter must, as a condition precedent to the commencement of litigation, mediation under clause 16.5 or determination by an expert under clause 16.6, first be referred to the Representatives. The Representatives must endeavour to resolve the dispute within five (5) business days.

16.4 Disputes for mediation or expert determination

If the Representatives have not been able to resolve the dispute, then the Parties must agree within five (5) business days to either refer the matter to mediation under clause 16.5 or expert determination under clause 16.6.

16.5 Disputes for mediation

- (1) If the parties agree in accordance with clause 16.4 to refer the dispute to mediation, the mediation must be conducted by a mediator agreed by the parties and, if the parties cannot agree within five (5) business days, then by a mediator appointed by LEADR.
- (2) If the mediation referred to in paragraph (1) has not resulted in settlement of the dispute and has been terminated, the parties may agree to have the matter determined by expert determination under clause 16.6.

16.6 Choice of expert

- (1) If the parties agree to have the matter determined by expert determination, this clause 16.6 applies.
- (2) The dispute must be determined by an independent expert in the relevant field:
 - (a) agreed between and appointed jointly by the parties; or
 - (b) in the absence of agreement within five (5) business days after the date that the parties agree to have the matter determined by expert determination, appointed by the President or other senior officer for the time being of the body administering or expert in the relevant field.
- (3) If the parties fail to agree as to the relevant field within five (5) business days after the parties agree to have the matter determined by expert determination, either party may at any time refer the matter to the President of the New South Wales Bar Association (or the President's nominee) whose decision as to the relevant field is final and binding on the parties.
- (4) The expert appointed to determine a dispute must:
 - (a) have a technical understanding of the issues in dispute;
 - (b) not have a significantly greater understanding of one party's business, functions or operations which might allow the other side to construe this greater understanding as a bias; and
