

Georges Cove Village, Moorebank Planning Proposal Request

FACT
SHEET

Liverpool City Council is exhibiting a planning proposal request which seeks to amend the Liverpool Local Environmental Plan (LEP) 2008. Council invites members of the public to view the proposal and provide feedback.

Please note that the planning proposal request has not been endorsed by Council at this point. This proposal is being exhibited in order to obtain preliminary feedback from the community.

What is the Liverpool Local Environmental Plan?

The LEP contains zoning and planning controls which guide development for most of the local government area. Some of the LEP controls include the types of development permitted on a particular site, including the floor space and height to which a development can be constructed.

What changes are proposed?

This proposal amends the floor space ratio (FSR) and height of building (HOB) development standards, and Schedule 1 of the LLEP to facilitate a mixed-use development including approximately 126 dwellings and 4,200m² of retail uses in the B6 (Enterprise Corridor) zone at 146 Newbridge Road, Moorebank.

What happens next?

Public submissions will be considered and reported to Council. If Council provides in-principle support for the planning proposal request, it will then be sent to the Department of Planning, Industry and Environment for a Gateway determination. Should a Gateway determination be issued, then the community will have another opportunity to provide further comments.

How can I make a submission?

Written submissions are to be addressed to the CEO and can be sent to Locked Bag 7064, Liverpool BC NSW 1871; or lcc@liverpool.nsw.gov.au. Submissions can also be made online, through Council's Public Exhibitions and Notices page at www.liverpool.nsw.gov.au/council/have-your-say/public-exhibitions-and-notices.
